OF CENTRE WELLINGTON

Welcome to Golf For Kids' Sake, an event that not only celebrates the joy of golf but also the profound impact of community support! Today, as we tee off, we unite in our mission to Ignite Potential in the youth of Centre Wellington. Your presence here is more than just a day on the greens; it's an investment in the future, where every swing contributes to a brighter future.

As you navigate the fairways and sink those putts, remember that your participation directly fuels the programs and initiatives of Big Brothers Big Sisters of Centre Wellington. From mentoring programs to camps, your support enables us to nurture the potential of every young person we serve. Together, we are building a community where every child has the opportunity to thrive, grow, and succeed.

Thank you for joining us in this cause. Your presence today is a testament to the power of collective action and the unwavering commitment to making a difference. ## ISSUE

Many children and youth in Canada struggle with societal barriers and face adversities in their lives.

## IMPACT

Facing prolonged adversity creates toxic stress in the brain that can negatively impact development.

## SOLUTION

With the support of a mentor, these risks can be reduced or even avoided, and youth can reach their full potential.

## IMPROVING SOCIETY

Every \$1 invested in our programming returns between \$18-\$23 to society through taxes, higher incomes, volunteerism, and charitable donations.

**"...[Big Brothers Big Sisters of Centre Wellington] empower and build confidence in our youth. I have seen first hand the way that their programming has immeasurably impacted very vulnerable children and given them a new story. Supported, mentored, emboldened, seeing themselves and their possibilities with newfound hope."**
